

Report Period: Aug 17-30

Summary of Progress in this Period

This week, we met as a team to discuss expectations we have as a team. We read over the team reflection document and discussed different roles that each team member will have. We had our first meeting. We had a meeting with our TA and Dr. Jannesari to understand our upcoming tasks for the semester.

Pending Issues

For this reporting period, we have no pending issues.

Plans for Upcoming Reporting Period

For this upcoming period, we need to set up our GitLab, the CI/CD pipeline, and install the following required software:

- GIMP
 - Python
 - Anaconda Navigator/Visual Studio Code
 - Cocosynth Library
 - Shapely Library
 - MATLAB
-
